Dear Mr. van Loben Sels:

SUBJECT: SANDAG FSTIP AMENDMENT NUMBER 3

We have completed our review of the San Diego Association of Governments' (SANDAG) Amendment Number 3 to the 1996/97 - 1998/99 Federal Transportation Improvement Program (FTIP) submitted with your letter dated January 10, 1997. We accept this amendment in accordance with 23 CFR 450 as revised by the Metropolitan Planning Rule issued October 28, 1993, and effective November 29, 1993. This amendment revises SANDAG's 1996-03 Regional TIP as follows:

- Modifies the programming of two previously programmed Indian Road projects.

SANDAG's TIP Amendment No. 3 is approved as proposed and the projects are considered programmed in the 1996/97 to 1998/99 Federal Statewide Transportation Improvement Program (FSTIP). We find that this amendment was developed based on a continuing, cooperative, and comprehensive transportation planning process in accordance with 23 U.S.C. 134 and Section 8 of the Federal Transit Act (49 U.S.C. app 1607). The projects included in SANDAG Amendment Number 3 are exempt from the requirement that a conformity determination be performed [40 CFR §93.134].

This finding has been coordinated with the regional offices of the Federal Highway Administration (FHWA), Federal Transit Administration (FTA), and the Environmental Protection Agency (EPA) in accordance with the procedures outlined in the Memorandum of Understanding on single mode TIP Amendments dated March 8, 1996.

This letter also constitutes approval and inclusion of SANDAG's TIP Amendment No. 3 into California's 1996/1997 - 1998/99 Federal Statewide Transportation Improvement Program (FSTIP). Our approval is based on Caltrans' assurance that the funding for the projects in this amendment is already within the approved FSTIP Financial Plan and therefore does not adversely impact the FSTIP Financial Plan.

Sincerely yours,

For  
David H. Densmore  
Division Administrator
